

Projectize is a team of high-caliber professionals devoted to the delivery of excellence and value to their clients, with solutions that integrate business process architecture, project management infrastructure and technology tools.

Our clients expect from us tangible improvements to their businesses that are innovative, simple and easily implemetable. At Projectize, every solution is the result of the best practices, the experience and the skill of all members of our team.

We constantly offer opportunities for proactive and enthusiastic individuals with considerable experience, talent and excellent communication skills to join our dynamic, rewarding and hard working team.

You are likely to have obtained experience, skill and documentable results in one or more of the following areas of expertise:

- Project and programme management
- Project management software
- Third party management and co-ordination
- Account management
